

# GALLOP OF FAME

## BRONZE PLAQUE APPLICATION

There are 13 bronze plaques available for Florida bred champions in the initial Gallop of Fame sidewalk segment. These sponsorships are \$2,100 for a two-foot by three-foot installed bronze plaque and requires submission of an application. If your horse was nota Florida champion, it may still be possible to sponsor a plaque if you can give a great story as to a strong connection to Ocala. For example, if the horse grew up here, was trained here by an Ocala resident, and/or won a major title. The board will review the story, decide if that fits the Gallop of Fame. These plaques will be available on a first applied, first approved basis, and are limited to two plaques per breed. Sponsorship payable after application is approved.
